Hello to Everyone.

**Jazz** (my ten year old Sheltie) gave me an early Christmas Present this year. We finished our **OTCH title** with a score of **192, and first place**, in **Utility B** two weeks ago. Then we trialed on the 20th of this month and qualified in **Utility A**, and another **first place** win, so we have an extra leg. We had a retirement party for him. He is a great dog!

Also, I have a 9 week old bi black puppy whose name is **Charlie** (or **Redpines Black Diamond**). He will be coming to the club after his second set of shots.
