

BRAGTIME!

May 8 to 13, **Takara (Esmonds Unbreakable Spirit CKC/AKC CD, CKC/AKC RA, AKC TD, N-CD, N-TD, TT, HIC, CGM)** and I attended the **American Rottweiler Club (ARC)** National Specialty in Lancaster PA for tracking and obedience. Takara can proudly display the AKC TD behind her name. The judges loved her article indication. The indication consists of a

pounce, a jump and spin then a full force run back at you with the glove in mouth. A very dramatic retrieve. I'm very proud of the girl. It was a very busy venue with hundreds of dogs at any one time and her behaviour was awesome! She did have moments of brilliance in the obedience ring but no brags.

May has been a good month for **Deebet's Toy Manchester Terriers**.

Starting May 6th at the Seaway Kennel Club show, **Ch Deebet's First Lady**, with my husband Ted showing "Etta", garners a Group 1st, under judge Charles Cyopik.

Then on May 13th at the Forest City Kennel Club, our **Ch Deebet's Camelot**, with me showing, "Camie", another Group 1st, this time under judge Raymond Lariviere.

Finally, on May 23rd at the K-W Kennel Club show, in some very tough competition, our **Ch Deebet's Camelot** manages to take a Group 4th, under Joan Beech.

We greatly appreciate the recognition our breed has been receiving in the past few years.

Hot off the Press! Jane Book has had a fabulous agility season with her 4 year old Australian Shepherd girl, **Book's Mystical Kylene, "Kye"**. Just a few weeks ago she returned from the American Australian Shepherd Nationals, held at the Purina Farms, in Missouri. There, in large top quality classes, Kye placed with a 2nd and two 3rds, completing two more AKC titles, Open Fast and Excellent Jumpers. Just last weekend, at the AAC Regionals, Agility Association of Canada, Kye and Jane competed for three days, earning enough points to qualify for the AAC National Championships! And, to top all this off, Jane has been notified by CKC, that Kye is officially **#5 Agility Dog in Canada for 2010, in All Breed competition!**

This spring **Chloe and Romeo, Papillons**, made their debut in CPE agility. At Tee Creek, Chloe came first in her Novice Agility trial and also in Novice Jumpers. Romeo, now ten years old, also successfully qualified in Novice Jumpers as a veteran. Two weeks later, Chloe came in first in the CKC agility trial with the Golden Retriever Club of Greater Toronto. We're looking forward to more successful results this summer.
