

BRAGGING!

Mick - **Ch Auriga's Rock Star** took BACK to BACK "Best In Shows" at the New Brunswick Kennel Club under Judges Wayne Thompson and James Frederiksen. He is only 13 months old. We have had a fantastic fun-filled summer showing him. Besides the 2 BIS, he has had 3 BPIS, 17 BPIG, 6 Group 1st plus many other placements. He is handled to perfection by his best friend and playmate Kimberly Marling. We are all very proud of our little Rock Star.

Braggs from Reidwood:

In August, our specials bitch, **Am Grand Ch, Can. Ch. Reidwood Artistic Vision**, headed to the SD&G shows for some specialties. She was BOS at the ES Regional Specialty, the OVASA Specialty, and the ESCC National Specialty, and BB at the Ottawa Valley Pointing Breed Specialty. Her half brother, **Reidwood Dare To Believe** was BPIS at OVASA.

In September, **Vision** headed to Michigan, where she won BB at the Michigamme ES Specialty (pictured in photo).

At the Papillon Club of Southern Ontario, **Bluechip Rocket Man** was Best of Winners to finish his Canadian Championship still as a Junior Puppy!

He also won points at Monarch's All Breed Show and was Best Puppy in Group twice!

Bluechip Midnight Romance was RWB at the Specialty but picked up points at Monarach's All Breed show.

In July, "Teddy", **Bluechip Sweet Inspiration** completed his Novice Excellent and Jumpers with Weaves Excellent agility titles. Both "Rocky" and "Teddy" are retired from the rings now and enjoying the good life in Alberta with Kristen Gagne-Rose.

Bluechip Midnight Romance completed her Canadian Championship at the Markham Kennel Club show.

That same weekend, at Papillon Canada's booster, "**Rave**", **CH. Bluechip Midnight Rave** was Best of Breed, and his sister, new **CH. Bluechip Midnight Romance, "Roma"**, was Best of Opposite Sex.

My next big thing now is to show them as a brace. You can see I was practicing in the picture!
